2009 FERRET HEALTH SYMPOSIUM

Work is well underway for the next Symposium, and we are pleased to bring you some preliminary details

WHEN? Saturday 26th and Sunday 27th September 2009

WHERE? EASTWOOD, SYDNEY

Despite the economical climate, we will be striving to keep the costs around the same as the first Symposium (\$129 per person for the full 2 days). Sadly (and these prices are greatly reduced for IFCA) accommodation costs are somewhat higher and will be around \$110.00 per night for a room with 1 double and 1 single bed. Bring your friends or family along to share the cost!

To make things a little easier, we plan to allow payments to be made in installments - more details will be available shortly.

Wishing you and your ferrets a safe and healthy 2009.
